ORDER:-

In the circumstances reported by the Commissioner and Director of Municipal Administration, AP in the reference 3rd & 4th read above, after careful examination of the matter and in consideration of the recommendations of the Commissioner & Director of Municipal Administration, the Engineer-in-Chief (PH), and the Resolution of Tadipatri Municipality Council dated 14.08.2025, Government hereby **accord permission** to the **Municipal Commissioner, Tadipatri Municipality**, for supply of recycled wastewater from the **Sewage Treatment Plants** (STPs) to **M/s. Gerdau (Arjas Steel) Pvt. Ltd. at the tariff of Rs.5/- (Rupees Five only) per KL**, with provision for **periodic revision** keeping in view the operation & maintenance expenditure being incurred by the Tadipatri Municipality, subject to the following conditions :-

i. The ULB shall supply recycled water **"AS IS" STAGE** and it shall be the responsibility of the borrower to further process according to the norms for usage of industrial purpose. It is the responsibility of the borrower to make necessary arrangements to provide necessary infrastructure facilities and for secondary treatment facility at their cost duly maintaining the norms prescribed.

ii. The Tadipatri Municipality shall frame suitable **bye-laws** for supply of treated waste water to Industrial purposes.

iii. The Commissioner, Tadipatri Municipality shall enter into a formal **Memorandum of Understanding (MoU)** with M/s. Arjas Steel Pvt. Ltd., in line with the guidelines issued in G.O.Ms.No.135, MA&UD(UBS) Dept., dated:31.03.2017.

(P.T.O)

iv. In order to protect the interests of the borrowers coming forward to utilise the treated waste water, since the major investments have to be made for infrastructure and secondary treatment facilities etc., it may be appropriate to impose the condition that the supply of treated water to the industries is on "first come first served basis"(only after supply of the committed quantity of the water to the first borrower, then further borrower can be considered from out of the remaining water available for allotment).

v. The quality of treated waste water shall strictly conform to the norms of **APPCB** and **CPCB.** Periodic quality testing must be done through **NABL-accredited laboratories** by the Municipality.

vi. The revenue generated from the sale of treated waste water shall be properly accounted for and **exclusively used for Operation & Maintenance (O&M) of STPs.**

2. The Commissioner & Director of Municipal Administration, A.P., shall take further necessary action accordingly.
